## Additional Comments

## Declaration

I confirm that all the installations at the site have been approved by Evoenergy and that Evoenergy will be duly informed if any modifications or changes are made to the approved equipment.

The information I have provided in this form is accurate and correct. If for any reason this information is incorrect, I will submit a new Commissioning Form to Evoenergy.

I have read, understood, and accept the terms and conditions of the Evoenergy Service and Installations Rules:

<https://www.evoenergy.com.au/residents/service-and-installation-rules>.

I am either the customer or act as a duly authorised agent of the customer.
